Brittany and I will be attending the Provincial SAC Conference Friday September 27th. Items on the agenda include information about safe and inclusive schools, strategic policy and research and student services and equity.

8. Provincial Lunch Program

Starting at the end of October. The program will provide healthy options for lunch at a cost families can afford. We have a vendor that will bring meals from outside and deliver them to classrooms. There is a website NSLunch.ca where families can find additional information.

9. Student Success Plan

Discussed what a Student Success Plan is. We will begin reviewing our SSP goals and strategies/actions at the next staff meeting. We will look at data from the Student Success Survey, end of school year reading and math data and closing information from our previous SSP to determine areas that are going well and areas of concern. As a staff we will be looking at Literacy, Math and well-being strategies and actions for our Literacy, Math and well-being goals.
