- Approval of previous meeting minutes - check.

 - Parents have been completing Parent-Teacher meetings either virtual (video) or phone calls. Communication is key - trying to Tweet lots of info out and keep in touch with our community.

 - Anupama did a beautiful bulletin board in our lobby and Leslee put up a Christmas tree/fireplace and some nice decorations to try and spice it up!
 - Common assessments - SSP developed some assessments and administered them. Common assessment in Math and Literacy and they are linked to our school goals. These help to develop next steps for learning.
 - Still working on a new electronic sign - very pricey so we are looking around for some different estimates.
 - Meeting as a PTO at 7pm :) looks like quite a few people so will be looking at fundraisers/making some money/etc
