Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

SAC focused on reading resources for our students this year. We used our SAC grant to provide additional high interest low level books for our reluctant readers.

Please list any significant milestones and success stories that the SAC would like to highlight.

We were happy to form an SAC and also are working on starting a functioning PTA. We also reviewed the school picture proposals for the fall to choose a provider. The SAC chose a school picture company for a one year term starting Sept 2022.

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).
