New Business:

1. Discussion around school pictures, as well as some parents who found that the company was somewhat expensive/not as high quality pictures. Last year's SAC chose a new company in the spring. Will look into other options in the spring, and possibly connect with other schools.
2. Steve explained how all purchases for cafeteria/fundraising, will be done through School Cash, a web based portal.

3. Grade Five English students went on a school trip recently. They went to the milk sports fair at the BMO centre in Halifax. The french immersion classes, as well as the grade four english classes will be going on trips later this fall.
4. A Remembrance Day ceremony will be taking place on November 10th.
5. There will be a holiday concert on December 8th. There will be a concert for grade 4's and one for grade 5's on the same night
6. Our classroom teachers are in the process of entering data for the HRCE.
7. PLC's are taking place regularly at our school. Teachers meet to discuss how to work together and support our students in grade level groups, with all specialist teachers joining.
8. We currently have a Math Coach in for all classes for 4 weeks. In addition, we have a French Immersion literacy coach for a 4 week block as well.
9. Lynn asked about our grant. We are allotted \$5000 plus \$1 for each student. We are hoping to vote on a topic at the next meeting.

Next Steps:

- We will discuss options for new photographers in the spring.
- Next Meeting to take place November 24, 2022
